Section 6.0 Company & Legislative Rules & Prohibitions

There are specific parameters as set out by the company which either meet or exceed legislative standards. These must be adhered to.

Section 6.1 Alcohol Concentration

Cannot be 0.00 or greater at the commencement of the work shift or period

Section 6.2 On Duty Use of Alcohol

Strictly prohibited at all times

Section 6.3 Post-accident Use

Consumption prohibited until test is administered

Section 6.4 Refusal to submit

Employees cannot refuse to submit to any alcohol or controlled substance test requested. Refusal to submit is viewed as a positive result and will result in immediate suspension without pay

Section 6.5 Controlled Substances Use

Controlled substances are strictly prohibited unless prescribed by a licensed medical practitioner who has advised that any medication will not affect the ability to perform normal duties. Positive test results for non-prescribed controlled substances will result in immediate suspension without pay.

Section 7.0 Required Tests

This policy requires several types of testing subject to legislative and company requirements. Company requirements may exceed legislative requirements.

Section 7.1 Pre-Employment Testing

Prior to the first time an employee performs his driving duties for CPC, he or she shall undergo controlled substances testing as set out in this policy and upon each periodic medical required thereafter.

Section 7.11 Exception

Exception to 7.1 above is permitted for purposes of taking a road test.

Section 7.2 Post Accident Testing

This policy requires the driver to submit to a random test as soon as possible after an occurrence on any public road or property in a commercial vehicle.

Section 7.21 Private Property

CPC reserves the right to conduct testing as described in 7.2 when any occurrence is on private property of any commercial or residential type.

Section 7.3 Random Testing

Per legislative requirements, CPC will test a minimum of 50 percent of the average number of drivers in one calendar year. The tests will be spread reasonably through the year, although no fixed days, weeks, or months will be used.

Section 7.31 Driver must Proceed

directly to the testing site when directed to do so. He or she may be so directed prior to, during or immediately following the work period.

Section 7.4 Reasonable Suspicion Testing

A driver is referred for reasonable suspicion testing when any CPC designate makes specific observations as to the appearance, behavior and speech or body odour of the driver.

Section 7.41 The driver must be informed of the reason for reasonable suspicion.

Section 7.42 The drivers cannot refuse to submit to a reasonable suspicion test.

Refusal will result in immediate suspension without pay.

Section 7.5 Positive Test/Confirmation Test

Following a positive test result the employee will submit a confirmation sample which will after a different method of testing from the first sample, serve to confirm the positive test result.

Section 7.6 Return to Duty Testing/Follow Up Testing

Testing will take place prior to the return to work of any driver who previously had a positive test. Huron reserves the right at no notice a total of 6 subsequent tests in the 12 month period immediate following the return to work date.

Section 8.0 Types of Substances

Section 9.1 Availability

Employees can voluntarily and confidentially avail themselves of the plan without sanction or reprisal from the company through the employee assistance Coordinator designated in 5.1 and 5.2 above.

Section 9.2 Details of Plan

Available through any CPC Designate

Section 10 Requests for EAP Access

Proactive requests for access at any time provided it is not as a result of a positive test or accident found to have been caused by or contributed to by alcohol or controlled substances, an employee will be confidentially referred to the plan and if necessary a leave of absence will be allowed without loss of seniority or benefits, during which time the employee can avail him or herself of the short (or long) term portion of the employee insurance plan in conjunction with the EAP.

Section 10.1 Reactive Request of Access

A request for access to EAP that follows a positive test or an accident caused by or contributed to by alcohol or controlled substances will be considered on a case-by-case basis depending on the circumstances. Any referrals agreed to may not be supplemented by wages or disability benefits.

Section 10.2 Denials of Access

Depending on the circumstances referred to in 10.2 referrals for access may at CPC's discretion be denied and employment terminated immediately with no payment of compensation of any time including notice and severance.
